### LECTIO DIVINA

- 1) **Lectio – read.** Read the passage slowly and several times.
- 2) **Meditatio – reflect.** Between each reading take time to allow the Holy Spirit to speak to you about a particular verse, or word. Wait and listen.
- 3) **Oratio – respond.** Pray in response to the Scripture. Let your heart speak directly to God.
- 4) **Contemplatio – rest.** Let go of your thoughts and let the Word of God dwell in you richly. Contemplation is silent prayer that expresses love for God; it is communion and it transforms us from within.
